THE SALVE OF CHARITY.

The Sister Cities Unite to Succor Brooklyn's Bereaved.

MEETING IN THE CITY OF CHURCHES.

The Union Benefits in New York Yesterday.

The relief meeting, for the purpose of raising subscriptions for the benefit of the sufferers by the Brook-lyn Theatre fire, took place last evening at the Brooklyn Academy of Music. The house contained about 1,500 people, almost ali of whom were seated or standing in the parquet, balcony and dress circle, with about 150 on the stage. Shortly after eight o'clock Mayor Schroeder called the meeting to order, and informed the audience that the Committee on Arrangements had

decided upon Judge Gilbert as the presiding officer.

Judge Gilbert came forward and said that the occasion which had called the assembly together was too sadly impressed on the minds of the people to need to be recalled. "Our duty to the dead," continued the gentleman, "has been discharged, and it now remains for us to look after the needs of those who were made widows and orphans by the terrible calamity. I am sure that your response to the demand which is made on you will be worthy of the great Christian people you represent."

THE COMMITTEE'S REPORT.

Sheriff Daggett then read the report of the committee. He recounted the painful events in connection with the fire and proceeded to report the amounts which had thus far been contributed, which were as follows:—Received through the Mayor, \$9,925; Daniel Chauncey, \$5,627 22, and through the New York committee \$5,558. Relief, the Sheriff said, had en supplied those immediately demanding it. Two bundred and eighty-four of the dead bodies had been found; 183 of these had been identified, and 101 had been found past recognition and were buried in one grave. The disaster had made thirty-one widows, who had small children, and four widows without children. Twenty-two widowed mothers with children, eight widowed mothers and six orphaned brothers and sixters had been deprived of their bread winners. Forty-five of the victims had left parents, all of whom had been more or less dependent on them for support. Two hundred and sixty-three tamilies had been visited, 100 of which required permanent renef, while the remainder needed temporary assistance. It had been found that \$673 per week was available to be distributed, and the committee hoped that the sum would reach \$1,000. Fitteen hundred dollars had already been paid out.

The Rev. Dr. John Hall, of Holy Trinty church, and Rev. Emory J. Haynes followed in addresses, asking the people to do what they could to nid their brothers and sisters who were in want. hundred and cichty-four of the dead podies had been

asking the people to do what they could to hid their brothers and sisters who were in want.

The Rev. Henry Ward Beceber was then introduced and made an earnest and elequent appeal.

Mr. Beecher then asked that the offerings commence, and the following subscriptions were recorded:—J. T. Henry, \$100; Judge Gilbert, \$100; H. W. Beecher, \$100; H. W. Beecher, \$100; H. W. Beecher, \$100; H. W. Beecher, \$100; F. A. J. Rooney, \$100; S. W. C. De Witt, \$100; Henry E. Pierrepont, \$100; Dr. A. J. Rooney, \$100; S. W. Carey, \$100; Aron Healey, \$100; H. C. King, \$20; J. S. T. Stranshan, \$25; J. T. Norton, \$25; Dr. Joseph Goldmark, \$100; G. B. Grannis, \$25; E. Durkee, \$30; C. C. Dyke, \$25; Thomas Flemming, \$50; Thomas Cassin, \$25; R. T. Bunker, \$25; J. W. Whittey, \$25; E. A. Tweedy, \$25; J. Whey, \$50; A. S. Barnes, \$100; Henry Board, \$25; J. W. Ridgeway, \$25; N. J. Gates, \$25; Rev. Newland Mayland, \$25. Other smaller donations were made, and a hat was passed among the audience, the total amount received being \$2,041 96.

Mr. Beecher alterward said:—"I will read a telegram from Measts. Shook & Palmer. It says:—

My Dran Mr. Kinskella:—We will give the gross re-

auteored her services."

A GOOD MAN WITH A QUEER NAME.

Mr. Beecher then announced that Professor Cromwell would give three entertainments at the church entitled on Thursday, Friday and Saturday, and that Colonel Sinn would give a benefit at his theatre. In speaking of the last named gentleman, Mr. Beecher said he "was agood man—with a queer name." It was also announced that the gross receipts of the New York theatres during the day were at least \$2,000, and the meeting adjourned.

THE BOARD OF UNDERWRITERS SOUND A NOTE OF WARNING.

At a regular meeting of the Committee on Rates and Surveys of the New York Board of Fire Underwriters, yesterday, the following resolutions were

adopted:—

Resolved, That in the judgment of this committee the danger from fire in churches is becoming alarming by reason of the common use of scenery, clauerate descration and illumination in church entertainments.

Resolved, That we caution the officers of churches against the danger of virtaining their insurance by the introduction of hazards not contemplated by underwriters in the insurance of churches.

Resolved, That we recommend making the following indersonent on policies insuring churches:—"It is understood and agreed, and is a warrantee on the part of the assured, that no gathering shall be permitted in above insures building requiring the use of scenery or colored fires; and it is also understood and agreed that no decoration shall be piaced nearer than one foot to an uncovered light,

AFTERNOON AND LAST EVENING-TROTTING EVENTS OF INTEREST.

Though the attendance was limited the programme at Gilmore's Garden yesterday afternoon proved very attractive. The Military Band did much to make the occasion successful, while the practice game of polo and the trotting under saddle were particularly interesting.

John Murphy tossed the ball to the middle of the course at 2h. 24m., and from that time to the end of the twelfth goal, when the players retired, there were many brilliant lights. Both teams were in good form, and the Bostonians, thanks to the example shown them by the Californians, acquitted themselves quie creditably. That magnificest borseman and expert handler of the pole stick, Carillo, played without error and in the several melées seemed a host. Morgan, of the blues, also did well, and in the midst of the reds was blis-fully oblivious of everything else but the desire to score, and score he did frequently. Nine goals were won by the Californians to three by their opponents. It stood six to two in favor of the blues at the end of the eighth inning, Carillo in the latter sending the ball booming between the posts by a well judged long hit. The ninth goal was also obtained by the same player in 2m. 10s; the tenth, by the Bostons in 2m. 30s., Ryan doing the work with a run across the encousure. The eleventh was taken by Morgan in 2m. 15s. and the twelfth by Carillo in just 1m. 45s., when time was called.

The trotting event was mile heats, three in five, under saddle. It was won easily by John Murphy's bay golding Frank, right off the reel. The summary is as under:—
Gilmone's Garden. Thursday Afternoon, Dec. 21, the twelfth goal, when the players retired, there were

gelding Frank, right off the reel. The summary is as under:—

Between heats Captain Neil Mowry gave illustrations of the lightning changes he is wont to make when engaged in long distance racing. They were very neatly accomplished, and he left the track with repeated theers.

When the California and Boston Polo clubs entered the inclosure at Glimore's. Garden last evening there were about fitteen hundred persons present who cordishly greeted them. John Marphy, acting as umpire, promptly at eight o'clock dropped the ball, when there commenced the most interesting

and determined play yet witnessed between the sides.

These were the same as in the afternoon.

THE 2:30 PURSE.

The trotting event was for a purse of \$100, for horses that never boat 2:30; mile heats, three in five, summary.
